when he disays both commands, it may be resilt, it supposed that, from such a man we have nothing to hope.

Such being the feeling of parties, and such the subserviency of the Speaker, it is not surprising that the Apportiument Bill, infamous and machine that the Apportiument Bill, infamous and machine the Apportiument Bill, infamous and machine the Apportiument Bill, infamous and machine the state of the supposed through the Hause. I have not specially forced through the Hause, I have not specially how the majority pashed disa's advantage, or how the Speaker exceeded himself in the outrageousness of his rullings—those things are the subject of an jet unwritten shapter. The Republicans came out of the contest thoroughly.

the bill of the considered to be the objection of those law, the existence of warming flaform School fill, which consumed their repeat, for the reason to the considered to be the objection of the reason to the constitution one in the North and the state of two dustitutions one in the North and the state of two dustitutions of those laws, the existence of warming the flat of the Clate for the correction of urently the part of the School fill, which consumed their repeat, for the reason to Homes has already, this session, refused to all the commendation that the law is a modified to allow colored persons the filmony to be received in the Scinic y esterday. Mr. Jupp was the strength of the measure, and explained its provisions, and windicated its policy in a specific of considerable length; but Egypt was done to the policy of the prayer of the pulliformer. The fermet was laid on the lable, and the latter good warming the constitution of the reason to the constitution of the class of the constitution of the constitution of the class of the class of the class of the constitution of the class of beth "Democrats," bits on opposite blde of the Slave question. Bunevates, "his has obtained the long term, has always realed in California. mireducing Slavery late California. Mr. B. is originally from New York, where he belonged to the Soff Shells, or Free Soff wing of the Deof the Empire State.

stone that the next January's inferest, will not be met—a frict which may account for the unwillingness to make the appropriation which this bill demanded. It is, whatever may be the senson, to be regretized that this measure faits. Far more important than any other of the schemes which have expand of large share. It is shall be a superconduction of the following probest spains the exchange which have expanded to have the procedence of all the local and personal business, and assured for itself the mature and exlightenest consideration which if derinands at a matter of humanity and enlightened public and the sensor of the foregoing sensor and the mean sensor where the public may be adoption of the foregoing and demanded to have if entered to be dense.

**Regarding the adoption of the foregoing resolution as unfairfuling the Speaker to con-

who think that the Fyredors of Lansas by seened, are laboring under a great the first seed and thouse that will be up to the proper mark on this needed reform.

The shift for funding the head interest on the state of the first seed that the settled. If that the settled, If that the particle of the first seed that the particle of the first seed to the f

When the House was called to order yester day afternoon, Mr. Associa sent up to the Clerk's dask the following protest against the adoption of Mr. Sanar's resolution of the free-noon Session, allowing the Speaker to call up any Bill be may choose, at two o'nlock this afternoon, shall demanded to have it entered on the Journals, which he Speaker consistent of the contracts which he Speaker consistent to the contracts which he Speaker confirmed to
